

HELP US FIND OUR MISSING ALUMNI!

Since our last search of alumni names and addresses in 1997, many of our graduates have moved away from their parents' homes, have changed their names through marriage, and/or have moved since their last known address. We are seeking your help in locating these missing individuals, so that we can re-establish contact with them and include them in future plans for reunions, social events, and spiritual opportunities. If you know of the current addresses and/or names of any of the alumni listed below, please e-mail us at info@stjamesstratford.org or drop us a note at: St. James School, 1 Monument Place, Stratford, CT 06615.

Alumni are grouped by year of graduation. In the case of female graduates, we have listed them by the last name on record. In the event we know their married names, these individuals are listed by that name, with their maiden name in parentheses. We greatly appreciate any help you can give us!
