# SUMMER WORK

I'm getting ready for third  
grade!

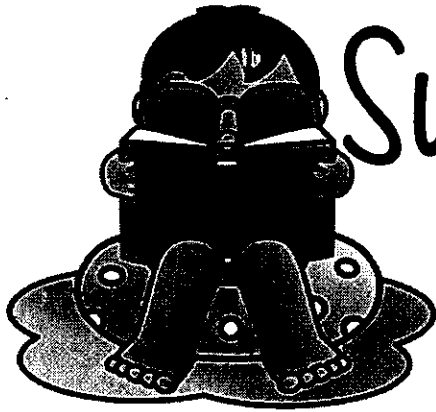

This packet is to be worked on over the summer months. It is not meant to be "forced or boring work" but an attempt at keeping your skills sharp so you are prepared when school starts up again.

The pages are to be done with pencil, and crayon when needed. PLEASE notice the little writing activities at the bottom of each page. These may be small print, but still expected and important! You may answer these on the back of each page.

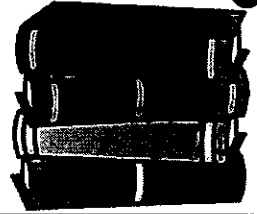

### Reading Bingo-

There are 25 choice boxes. I would like you to complete at least 18. Color each square once you have completed that reading activity for 20 minutes.

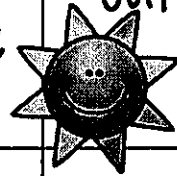

Bonus points will be given to anyone that completes all 25 boxes!
